Translation:

Puelle saltanti imperavit mater,
nihil aliud petas nisi caput Joannis
propter iusiurandu,
et contrstristatus est rex propter iusi-
urandum,
et propter simul discumbentes

The mother commanded the dancing
girl,
“but if nothing else, you should ask
for the head of John, for the
oath was taken.”
And the king was remorseful, because
the oath was taken,
and for those who sat with him.
